Golden Jubilee Celebration: - Honoring Our Legacy, Building Our Future

Established in 1977 to convene the Marathi-speaking community of Greater Detroit, your **Maharashtra Mandal of Detroit(MMD)** is proud to celebrate 50 years of service, heritage, and community leadership.

For the last five decades, MMD has shaped our culture, supported families, and cultivated a distinct identity across the region. The **Golden Jubilee** is a milestone that honors the founders, past leaders, volunteers, and members who built MMD brick by brick. Beyond celebrating our past, this event allows us to invest in our future—expanding youth engagement, enriching cultural programs, and ensuring long-term institutional sustainability.
